

## **REMINDER**

**It is important that you register with King County Procurement and Contract Services after downloading documents from the RFPs, RFQs & ITBs website. Failure to notify us will result in you not being notified of any addenda, which may result in rejection of your bid/proposal as non-responsive.**

**To register and download files, refer to the bottom of this document.**

## **KING COUNTY REQUEST FOR PROPOSALS ADVERTISEMENT**

King County is requesting Proposal Submittals from firms qualified and interested in providing services related to short circuit, protective device coordination, and arc flash engineering studies for eighty-two (82) wastewater treatment facilities, including pump stations, regulator stations and two treatment plants.

The Request for Proposals, all addenda and current document holder's list, are available on the internet at [www.metrokc.gov/procurement/rfp\\_rfq\\_itb/new\\_consult.aspx](http://www.metrokc.gov/procurement/rfp_rfq_itb/new_consult.aspx). The County will no longer mail, ship or fax RFP's and addenda.

Interested firms *must* register with the County at time of download and ensure a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The estimated value of this work is \$300,000. The County plans on issuing one contract.

<b>Contract Title:</b>	<b>Arc Flash Analysis for Wastewater Treatment Facilities</b>
<b>Number:</b>	<b>E00004E06</b>
<b>Proposals due</b>	<b>March 9, 2006</b>
<b>Time:</b>	<b>5:00 p.m.</b>
<b>Preproposal Meeting:</b>	<b>February 16, 2006</b>
<b>Time:</b>	<b>1:00 p.m.</b>
<b>Location:</b>	<b>King Street Center, 5th Floor, Conference Room 5B 201 S. Jackson Street, Seattle, WA.</b>

Any firm failing to submit information in accordance with the procedures set forth in the Request for Proposal may not be considered responsive and may therefore be subject to disqualification by King County.

**SUMMARY OF WORK:** Provide services for short circuit, protective device coordination, and arc flash engineering studies for eighty-two (82) facilities, including 23 pump stations, 55 regulator stations, two (2) treatment plants, and two (2) office buildings. Conduct the studies, including analysis, calculations and a final report summarizing the conclusions. Produce and attach arc flash hazard warning labels at each facility, and make three presentations.

**SUBCONSULTANT OPPORTUNITIES:** No subconsulting opportunities are identified.

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to

subconsulting opportunities and the other non-discrimination and affirmative action requirements with which the Consultant shall comply.

**QUESTIONS:** Questions concerning this solicitation should be directed to **Ruth Williamson, Contract Specialist** at **206-684-1202**, TTY Relay: 711. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711.
